**CONVICTION
OF SHOOTER****Jack Peter Will
Be Sentenced
Today.****Defendants Brought Into
Court Under New
Indictments.****Order of Cases for Trial on Criminal Calendar—Many Civil Cases Go Over.**

Jack Peter was tried before Judge Robinson for assault and battery with a weapon obviously and imminently dangerous to life. He shot a Chinaman named Ho Tim in the shoulder, according to the indictment, on October 3 last. S. F. Chillingworth appeared for the prosecution, and Enoch Johnson for the defendant. A verdict of guilty was returned by a jury consisting of J. M. Dowsett, H. C. Brown, Albert Lucas, Wm. Dunbar, Geo. B. McClellan, John J. Egan, Hiram Kaahu, John Isaac, John C. Lane, W. L. Fletcher, James Nott, Jr., and Willard E. Brown. Judge Robinson will sentence Peter at 10 o'clock this morning.

NEW INDICTMENTS.

Defendants indicted on Monday were arraigned in court yesterday with the following results:

Goo You, assault and battery, two indictments. Pleading guilty to one of them he was fined \$25 and costs, and under the other indictment he was granted a nolle prosequi.

Jack Morgan, seduction, was allowed to reserve his plea until this morning. Fugita, larceny second degree, pleaded not guilty and will be tried in his turn.

The accused person under the fifth indictment presented had not been arrested and a second bench warrant was issued in that case.

ORDER OF TRIALS.

Judge Robinson will try the following cases in their order, beginning this morning: Territory vs. Birbe, profanity; Territory vs. John Christa, sodomy; Territory vs. Ascinto Perry, child stealing; Territory vs. Kimura, assault with intent to murder.

There are between thirty and forty witnesses subpoenaed in the Birbe case, which is an aftermath of the county election.

MANY CASES OVER.

John H. Estate vs. Territory of Hawaii, action to establish fishing rights, was continued for the term by Judge De Bolt, at the request of the Attorney General.

Samuel Kaahu vs. Kauhane Naopepe, ejectment, was continued for the term, there being no appearance of either party. The same disposition was made of the following cases: George Lycurgus, trustee, vs. E. M. Nakulua, assumpsit; L. C. Camacho vs. Arthur

MOTHERS

should know. The troubles with multitudes of girls is a want of proper nourishment and enough of it. Now-a-days they call this condition by the learned name of Anemia. But words change no facts. There are thousands of girls of this kind anywhere between childhood and young ladyhood. Disease finds most of its victims among them. Some of them are passing through the mysterious changes which lead up to maturity and need especial watchfulness and care. Alas, how many break down at this critical period; the story of such losses is the saddest in the history of home. The proper treatment might have saved most of these household treasures, if the mothers had only known of WAMPOLE'S PREPARATION and given it to their daughters, they would have grown to be strong and healthy women. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. In building up pale, puny, emaciated children, particularly those troubled with Anemia, Scrofula, Rickets, and Bone and Blood diseases, nothing equals it; its tonic qualities are of the highest order. A Medical Institution says: "We have used your preparation in treating children for coughs, colds and inflammation; its application has never failed us in any case, even the most aggravated bordering on pneumonia." The more it is used the less will be the ravages of disease from infancy to old age. It is both a food and a medicine—modern, scientific, effective from the first dose, and never deceives or disappoints. "There is no doubt about it." Sold by all chemists here and throughout the world.

M. Brown, damages; Kahalewai vs. Long Yau, damages; Solomon Kahawai vs. D. Kukea and Ku, ejectment; Geo. Lycurgus vs. Chas. Phillips, administrator; and G. D. Freeth, assumpsit; Shimoda Sentaro vs. Tee Wo, assumpsit; Una McChesney vs. Chas. S. Desky, assumpsit; Wong Kong Yim vs. Union Assurance Society, assumpsit.

BEFORE JUDGE GEAR.

Judge Gear granted a Motion for change of venue to the Fourth Circuit, in the case of A. H. De Mattos vs. The Volcano Stables & Transportation Co.

In the malicious prosecution case of J. C. Axtell vs. H. E. Hendrick, where Judge Robinson granted a new trial on the ground of excessive damages, Judge Gear denied a motion of plaintiff for commission to take testimony. Robertson & Wilder for plaintiff; C. C. Bittling for defendant.

F. D. Greany vs. Pacific Import Co., assumpsit, was continued by Judge Gear until February 2. W. L. Whitney for plaintiff; C. W. Ashford for defendant.

Judge Gear found judgment by default against L. G. Maitland, defendant, and Oahu Railway & Land Co., garnishee, in the suit brought by S. White for \$93.85 on merchandise account. J. A. Matthewman appeared for plaintiff, who had appealed from judgment for defendant by District Magistrate Dickey. There was no appearance for either defendant or garnishee.

Schuman Carriage Co., Ltd. vs. W. S. Withers et al. was continued until moved on. W. L. Stanley for plaintiff; W. W. Thayer for Honolulu Stock Yards Co., garnishee.

Judge Gear at chambers overruled defendant's demurrer in the injunction suit of Sidney M. Ballou vs. Mutual Telephone Co., giving defendant five days in which to answer or otherwise plead.

EXECUTION FAILS.

Execution for \$290.88 in the suit of Lewers & Cooke, Ltd. vs. T. Kat Poo and Wong Shiu King has been returned by High Sheriff A. M. Brown as unsatisfied, because no real or personal property of defendants could be found on which to levy.

COURT NOTES.

Thomas M. Harrison has filed an exception to the order by Judge Robinson denying the motion for a new trial of his suit against J. A. Magoon and others.

S. M. Damon, H. E. Waity and S. E. Damon by their attorneys, Robertson & Wilder, have filed a general denial to the complaint of Su Yong. Judge Gear had overruled a demurrer and given defendants five days in which to answer. T. I. Dillon appeared for plaintiff.

The case of M. F. Scott vs. W. S. Edings has been placed on the Circuit Court calendar.

**MEHEULA'S
TRIAL SET****Peonage Case Ends in
a Verdict of
Guilty.**

The Japanese peonage case went to the jury, with Judge Dole's charge, about six o'clock yesterday evening. J. W. Cathcart had made a closing address of considerable length for the defendant, District Attorney R. W. Breckons speaking more briefly for the prosecution. At 9:30 the jury had not returned from dinner at one of the hotels.

At 11:25 p. m. the jury brought in a verdict on both counts, "Guilty as charged in the indictment."

Judge Dole yesterday morning sentenced Kingo Ueda, under his plea of guilty to indictment for perjury, to imprisonment at hard labor for twelve months and payment of one dollar fine. The offense consisted in giving a wrong name to the immigration officials and swearing that he was the husband of a woman arrived from Japan.

Solomon Meheula, clerk of the House of Representatives, pleaded not guilty to indictment for destroying public documents, he being a public officer. His trial was set for April 18, being at next term of the Federal court. Mr. Ashford, counsel for Meheula, offered to waive reading of indictment, but Mr. Breckons successfully objected that the offense being a felony, the formality could not be waived.

**DECREE AT FAULT
AND SET ASIDE**

The Supreme Court has rendered a unanimous opinion, written by Chief Justice Frear, in the suit for specific performance of Tai Lan vs. Pilipo Contrades. It sets aside a decree by Judge Hardy of Kauai, to whom the case is remanded with directions to dismiss the petition and for any other or further proceedings consistent with this opinion. S. K. Kaeo and A. G. Correa for plaintiff; M. F. Prosser for defendant. The syllabus is as follows:

"Non-owners having executed two leases to different persons and the owner being estopped by his conduct from denying the validity of either lease, and the first lessee's assignee being in possession, equity cannot decree delivery of possession or damages against the owner at the suit of the second lessee."

The Circuit Judge's decree was against the defendant, but allowed damages only and not possession. It is found by the Supreme Court that the true nature of the case is that of ejectment, so that it is outside of the jurisdiction of equity.

**FARMERS
INSTITUTE****Second Annual Meeting
Set for January
30th.**

The second annual meeting of the Farmers' Institute will be held at the Kamehameha Schools on Saturday, January 30. The afternoon session will be held at 3 and the evening session at 7:30.

All members are urged to be present at the afternoon session as business bearing directly on the future of the organization will be broached.

Representatives from the two agricultural communities, one in the district of Hilo, Hawaii, and the other at Wahiawa, Oahu, each having a thriving society, will be present. It is also the idea of the Institute to organize a society on Maui sometime during the ensuing year.

The election of officers will be held and reports of various committees rendered at the afternoon session.

A program has been arranged for the evening session as follows:

Address by the president, Jared G. Smith, on "The Work of the Past Year and the Agricultural Outlook for the Coming Period."

Report from the committee on the planting seasons.

Report of the committee on improving and beautifying the country roads of Oahu.

Paper by Prof. F. G. Kraus of Kamehameha on "An Agricultural Training Necessary for the Farmer of Today."

Music will be furnished by the Kamehameha Glee Club.

Out of town members are requested to notify the secretary, D. L. Van Dine, of their intention of attending the sessions.

DANDRUFF CAUSED BY A GERM.

A New Discovery That Kills the Germ and Prevents Baldness.

Pretty nearly all the hair preparations for dandruff have some merit in allaying itching of the scalp, and in being a fairly good dressing for the hair, but there is only one that recognizes what causes dandruff, falling hair, and baldness, and that destroys the cause, a little germ—and that is Newbro's Herpicide. This germ eats its way into the scalp, it digs up the scalp into little white scales. Unless it is destroyed there's no permanent stopping of falling hair and cure of dandruff and baldness. Newbro's Herpicide kills the germ. "Destroy the cause, you remove the effect," sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

"Twas the night before Christmas, And all through the house, Not a creature was stirring, Not even a mouse. When mama awoke with a start and a shake, And wondered why papa Was so wide awake; A rumbling and roaring Soon came to their ears— A noise that would follow them, All through their years. For down near the bath room The water rushed out, And it caused poor papa And mama to shout. "Oh, why did we make such a fearful mistake?"

"Oh, John dear, I fear that My poor heart will break, Unless you will promise That tomorrow you'll call Bath, the plumber, and have him Go over it all. And then no more leaks, For we know that 'tis true, That folks always call Bath When there's plumbing to do." "Phone 61."

"I owe my success in life to hard work," said the great magnate. But he neglected to add that it was largely the hard work of other people.
